**REPORTS**

**Executive**

**President**  
*President Stidman*

The Manoa Neighborhood Board excited about block party. None were opposed to alcohol being served as long as the kinks are worked out.

**Vice President**

*Vice President Saiki*

I'm trying to do paintball and tie leadership into it. A company in California did paintball with leadership development. I may try to contact this company. I might do a ropes course as an alternate option with outdoor activities and camping for a whole day event. We will probably do ropes course in Spring. If we only have a half day, will try laser tag or something fun.

**Treasurer**

*Treasurer Sohn*

We will issue business cards. Christina will pass out sign-up sheets. Please list contact information and a quote if you want. All executive members will get business cards, so everyone here will get cards.

**Secretary**

*Secretary McKellen*

I sent out an email about times I am available to do pictures for the bulletin board. Please respond with the time you are available to come and take them.

**Advisor**

*Advisor Manini*

I decided we will not fix the old printer. We will buy new one because it's cheaper.

*President Stidman*

The copy machine keeps jamming. What can be done?

*Advisor Manini*

Will start logging because now we have no paper log.

**Standing Committees**

**On-Campus Resident Student Affairs**

*Chairperson Whiter*

We had an unofficial meeting yesterday. An official meeting will take place soon. I will be working with Senator Jones to advertise around campus and get students informed. We are also working on frisbee golf. On the green sheet you will find a bill about Olympia Dukakis giving lecture at UH Manoa. This bill would help fund tickets for students

**Cultural and Ethnic Diversity**

*Chairperson Fallon*

Oktoberfest planning has hit snags. The band is in New York and won't be on island all year. I'm trying to find replacement polka band. I spoke to everyone on the committee but Senator Major. Looking at having a meeting on Monday.

**Elections**

*Chairperson Baker*

Tomorrow is the last day to turn in election packets, otherwise people must be floor nominated. Tell the office staff to get name and information for floor nominations. SAL Apuna will be doing online part. We will have an official meeting soon

*President Stidman*

I suggest sending an email to committee members to set up meeting.

*SAL Baker*

I talked to Apple about setting up online voting.

**Commuter Student Affairs**

*Chairperson Long*

We will have a meeting next week. Date to be announced. Time at 5:30pm.

**External Affairs**

*Chairperson Alton*

The blood drive is tomorrow. We had a successful run last week. Show up tomorrow and help. There is a bill in tonight's packet about homecoming. We will have a meeting tomorrow at 5:00 in CC 203A.

**Finance and Investments**

*Chairperson Furmanski*

We will have a meeting Friday. Time to be announced.

**Internal Affairs**

*Chairperson Okamoto*

We will have a meeting Tuesday at 8:30am.

**Undergraduate Academic Affairs**

*Chairperson McLemore*

We had a meeting today. We made changes in how to grade essays due to lack of FAFSAs.

SAL Baker and Senator Alton leave at 6:25pm.

**Campus Security**

*SAL Fallon*

I heard back from the committee. It was inactive over the summer. Kathy Cutshaw approved the bike cops. There is no word on future of committee.

**Task Force**

*Senator Whiter*

We will have a meeting at 3:00 in QLCSS. Day to be announced.

**Food Services Advisory**

*SAL Apuna*

The September meeting has been cancelled. We will likely meet sometime in October.

**COPR**

*SAL Long*

I went to the COPR meeting last Wednesday. We discussed the Hawaiian studies program. Issues came up about how students feel about having to take HWST 107 and feeling intimidated in the class. It was suggested that faculty should be subject to evaluation. Afterwards Hawaiian studies leaders explained the report being used was 2 years old and changes have been made since then. Too many teaching assistants are teaching the course. There needs to be a training program to get consistency in teachings.

**WASC**

*Secretary McKellen*

No new developments.

**NEW BUSINESS**

*President Stidman*

All of tonight's senate bills will be referred to the finance committee.

**OPEN FORUM**

Senator Whiter: In the student handbook under appeals processes it states you may have someone for moral support but they may not speak on your behalf. We will talk to housing to try and change that.

Treasurer Sohn: There are other housing issues. Some rooms weren't cleaned from over summer. This needs to be addressed. Housing forces students who get into trouble with alcohol to go to AA meetings at church. Not all students are of Christian faith but still have to attend to complete discipline requirements. This should also be addressed.

Vice President Saiki: I had a meeting with athletics and chancellor Hinshaw about homecoming. The meeting went well. All parties were really interested in ASUH input. We came up with ideas for a pep rally after the women's volleyball game. Senators Jones and Alton are looking into it. We are also looking into transportation downtown to Murphy's for students who want to go.

**CLOSING**

**Adjournment**

*Senator Okamoto  
Secretary McKellen*

**Motion to adjourn.**

**Second**

**Motion passed without objection. Meeting adjourned at 6:40pm.**

**APPROVED BY THE 95<sup>TH</sup> ASUH SENATE ON TUESDAY, SEPTEMBER 25, 2007.**
