Christina and Bonny have discussed instituting a calendar on Google calendars, which will be overseen by Senator Long. The calendar will allow ASUH to plan bills ahead of time instead of placing them under special order. Goal for bills is to have them on the calendar 6 weeks ahead of time.

ASUH partnered with pickaprof.com. Pick-a-Prof allows students to submit reviews on professors, exchange/buy/sell textbooks, and compare class schedules. All members of the Senate should register with Pick-a-Prof.

### **OPEN FORUM**

Secretary McKellen: Members of the Senate should email me their personal statements, class level, major, and hometown so that I may begin working on profiles for the bulletin board. Only submit this information now; I will take pictures later. Any suggestions anyone has may be submitted also.

Senator Major: Can we get correlation between ASUH and Campus Center Board? We don't have as close a relationship to the students as other organizations. ASUH is not as highly recognized as other student governments because it doesn't have as much jurisdiction as student governments on other campuses.

Advisor Manini: CSO induction is August 22, 2007. Induction is an event where you can connect and interact with other CSOs.
